AXA, Switzerland's number one insurer, is delighted to have the privilege of working with the members of the CERN Staff Association. A framework agreement has been signed that allows you to benefit from preferential rates and conditions (10–20 % discount) for the following types of insurance:

- **Mobility (car, motorcycle, travel): 10% discount**

- **Personal legal protection: 10% discount.**

We can also offer you advice on the following subjects: health insurance, life insurance, mortgages/real estate, and private pensions (Pillar 3a/b).

On top of this, we can compare your current insurance policies in order to optimize your coverage and probably save you money too.
